

HUNS HORRIFIED AT FATAL LOVE AFFAIRS

One Jilted Lover Seeking to Revenge
Girl Also Destroys
Four Others.

BERLIN, Nov. 15.—An amazing drama of disappointed love has just been enacted with tragic results at Cottbus in Brandenburg.

A young man, recently demobilized, had been jilted by his sweet-heart, who refused to see him.

He wrote, warning her that he would be revenged.

As the girl stood among a crowd at the railway station where passengers were being distributed, the forsaken lover appeared and hurled a number of bombs at the girl with terrible effect.

Six persons, including the jilted lover, were killed and twenty-one injured.

Love tragedies in Germany are now so frequent that they have become a standing feature of the newspapers.

Another case occurred in which the principals were little more than children.

A Hamburg schoolboy, aged sixteen, holiday making in Berlin, became enamored of a girl of seventeen.

While they were strolling together yesterday evening the girl's former admirer, also aged seventeen, came on the scene.

A heated altercation ensued, at the end of which the young Hamburg drew a revolver and shot his rival through the heart.

PLAN A NATION-WIDE CHRISTIAN UNIVERSITY

NEW YORK, Nov. 15.—The Inter-church World movement of North America, with headquarters in this city, have announced plans for the creation of a great nation-wide Christian university. It is expected that the enrollment of the proposed university will exceed 10,000. It is planned to model the university along the lines of a correspondence college, although the tuition will not be by correspondence, but in the form of lectures. The lecturer will travel to the students instead of the students coming to the university. In December the association plans to hold three-day conferences in practically every state in the union.

LONDON, Nov. 15.—This country is 500,000 houses short of the population requirements, according to Sir George New, chief medical officer of the ministry of health.
